## **HISTORY STRATEGY MEETING TO BE HELD IN PRICE**

### **Division of State History invites public input**

As it begins a long-range planning process, the Utah Division of State History invites the public to attend a strategic planning meeting to be held at 7 p.m. on April 28, 2005, at the Student Center on the College of Eastern Utah campus. The Division especially encourages all those who have a stake or an interest in the programs of the Division or its partners to attend.

The information gathered at this meeting will help shape history efforts in the state for the next several years. Over a series of meetings, the Division will identify priorities and create a guiding document for the Division. The document will also contain ideas that all heritage organizations in the state may consider in their own planning processes.
